

**Ecogent--- The only cleaner certified by four independent “green” certification bodies**

ECOgent General Purpose Cleaner currently enjoys distinction as the only cleaning product in North America to be certified by four independent “green” certification bodies including:

- Green Seal (GS37) meeting Green Seal’s environmental standard for industrial and institutional cleaners based on reduced human and aquatic toxicity and reduced smog production potential;  
<http://www.greenseal.org/>
- Environment Canada’s Environmental Choice Criteria PRC-097 “Cleaning Product with Low Potential for Environmental Illness and Endocrine Disruption”;  
<http://www.environmentalchoice.com/English/ECP%20Home/>
- The *Envirodesic*™ Certification Program – “Certified for maximum indoor air quality and for use around individuals with chemical hypersensitivities”; <http://www.envirodesic.com/>
- And the European Union’s Ecolabel, signified by the Eco Flower logo: the premier European award for products meeting higher environmental standards. (<http://www.eco-label.com>)
